

CALLS

LIVES Data Challenge

The LIVES Centre invites researchers across the social sciences to join a large-scale collaboration addressing a key question: What predicts the feeling of having lived a 'good life' so far?

Deadline for application: 15 February

[Read more](#)

LIVES International Research Days

LIVES members are invited to submit proposals for organising one-day panels at the LIVES International Research Days, which will take place at the University of Lausanne on 4–5 November 2026.

Deadline for application: 15 March

[Read more](#)

LIVES Seed Money Grants

The CIR LIVES at UNIL provides seed money to support the preparation of ambitious and innovative research projects.

Deadline for application: 15 April

[Read more](#)

LIVES EVENTS

LIVES Doctoriales

9 February - UNIGE

Participants in the LIVES doctoral programme present their work and receive feedback from international experts. All LIVES members are welcome to attend

[Programme and registration](#)

LIVES Day 2026 - Save the Date

2 June - UNIGE

Don't miss LIVES members' main annual get-together, with scientific presentations and networking.

LIVES Comes Alive

Spring semester - UNIL

The LIVES research seminar on Thursdays with internal speakers from the University of Lausanne.

[Programme](#)

Colloque LIVES

Spring semester - UNIL

The LIVES seminar on Tuesdays with guest speakers on the life course and social inequality.

[Programme](#)

LIVES at UNIGE

All LIVES events in spring and summer 2026 at the University of Geneva.

[Programme](#)

LIVES PEOPLE

LIVES Visiting Grants 2026

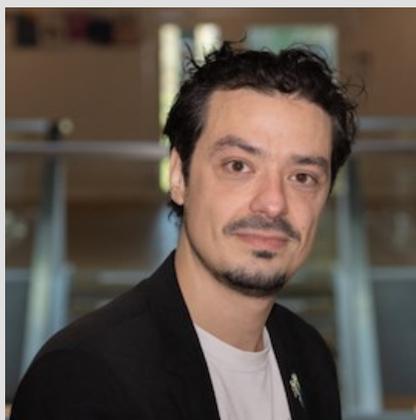

This visiting grant is aimed at researchers who wish to visit the LIVES Centre at the Universities Lausanne or Geneva for a period of at least two months. Nine researchers will visit us in 2026.

[Read more](#)

LIVES Young Scholar Grants 2026

LIVES has awarded six grants. Congratulations to Naomi Downes, Gianvito Laera, Adriana Rostekova, Paola Sillitti, Leonhard Unterlerchner and Jinfeng Xu!

[Read more](#)

ERC Consolidator Grant

Nicolas Sommet was awarded the prestigious grant for his project 'The Vicious Cycle of Inequality: How Economic Inequality Perpetuates Itself by Creating a Culture of Competitiveness in Schools'.

[Read more](#)

FORS Data Re-use Award 2025

Marc Asensio won the award for his article "What is the best way of collecting data donations?". He will present the paper at the FORS Lunch Seminar on 10 February.
